

The essence of The Dorset Inn is all about its history ~ the true “Americana”. The Chef’s menus and recipes bring us back in time capturing a real American moment. As a member of The Vermont Fresh Network, The Dorset Inn continues with the tradition of incorporating the best locally grown food products. It is with that premise that we have dedicated our wine list exclusively to American wines. Our domestic wines are categorized by varietal and represent what we believe to be some of the best of their kind. Our goal is to expand our regional representation taking time to learn of the best viticultural offerings across the United States. Having said that, we are more than happy to accommodate the tastes of our regular guests by including wines that are not from our native shores on our Guest Selections page.
