

THE DORSET INN

On the Green

The essence of The Dorset Inn is all about its history ~ the true "Americana."

The Chef's menus, recipes and the history of the restaurant bring us back in time, capturing an American spirit celebrated by a cellar focused on American wines. Our domestic wines are categorized by varietal and represent what we believe are among the best of their kind. Our goal is to expand our regional representation taking time to discover the best viticultural offerings across the United States. Having said that, we are more than happy to accommodate the tastes of our regular guests by including wines that are not from our native shores. Please provide your input on our Guest Selections page.
